Prater Engineering's 7th Annual Memorial Golf Outing

Friday, July 16, 2021
Mill Creek Golf Club ~ Ostrander, OH
Lunch 12:00 PM ~ Shotgun Start 1:00 PM ~ Dinner Following

100% of the proceeds go to the Toby Treece College Bound Fund!

The event was started in honor of a special employee of ours, Ryan Treece. Ryan Treece was an electrical designer for our firm who suddenly passed away in December of 2013. Ryan had a son, Toby Treece, who at the time was seven years old. We are using the golf outing as a way to raise scholarship money for Ryan's son, Toby.
